## **South Australian Badminton Assn. Inc.**

This Child Safety Policy was approved by the Board of Management on 29<sup>th</sup> June, 2011 and endorsed by members. It is due to be reviewed on an annual basis.

This policy was written to demonstrate the strong commitment of the management, employees and volunteers to child safety and establishing and maintaining child safe and child friendly environments.

### **Commitment to child safety**

All children who come to South Australian Badminton Assn Inc (here in after referred to as Badminton SA the trading name of South Australian Badminton Assn Inc) have a right to feel and be safe. Badminton SA is committed to the safety and wellbeing of all children and young people accessing our services and the welfare of the children in our care will always be our first priority. We aim to create a child safe and child friendly environment where children feel safe and have fun.

This policy was developed in collaboration with all our employees, volunteers and the children who use our services and their parents. It applies to all employees, volunteers, children and individuals involved in the organisation.

### **Children's rights to safety and participation**

Badminton SA employees and volunteers encourage children to express their views, and make suggestions, especially on matters that directly affect children. We actively encourage all children who use our services to 'have a say' about those things that are important to them. We value diversity and do not tolerate any discriminatory practices.

We teach children about what they can do if they feel unsafe. We listen to and act on any concerns children, or their parents, raise with us.

### **Recruitment of employees and volunteers**

Badminton SA applies the best practice standards in the recruitment and screening of employees and volunteers. We interview and conduct referee checks on all employees and volunteers and require criminal history reports for prescribed positions as specified under the *Children's Protection Act 1993*.<sup>1</sup> Our statement of commitment to child safety and our requirements are included in all advertisements.

## **Support for employees and volunteers**

Badminton SA seeks to attract and retain the best employees and volunteers. We provide support and supervision so people feel valued, respected and fairly treated. We have developed a code of conduct to provide guidance to our employees and volunteers, all of whom receive training on the requirements of the code.

## **Reporting and responding to suspected abuse and neglect**

We Badminton SA will not tolerate incidents of child abuse. Abuse and neglect includes:

Physical abuse - when a person purposefully injures or threatens to injure a child or young person.

Emotional abuse - an attack on a child or young person's self esteem e.g. through bullying, name calling, threatening, ridiculing, intimidating or isolating the child.

We Badminton SA are responsible for ensuring that employees and volunteers are aware how to make appropriate reports of abuse or neglect. We will also provide opportunities for employees and volunteers to attend an information session on mandatory reporting.
